### **Headpoint Advisors strengthens team with appointment of Emmet Keating as partner**

Headpoint Advisors has announced the appointment of Emmet Keating as Partner to strengthen its senior advisory team and lead the firm's technology practice.

Emmet has over 20 years of experience in financial services advising on M&A, private equity transactions and other corporate finance projects. He was formerly a Director in the global technology team of mid-market investment bank Alantra (formerly Catalyst Corporate Finance). Emmet started his career at Deloitte and is a chartered accountant.

He has frequently advised on cross-border transactions involving buyers from all major global economies and recently gained industry experience working as Chief Financial Officer of fast-growing property software business Nimbus Maps.

"I always enjoy working with entrepreneurs and management teams of growing private businesses. As part of the Headpoint team, I look forward to sharing my knowledge and experience with these business leaders to help them achieve their future aspirations. Headpoint's focus on the technology and tech-enabled business services sectors provides an ideal platform for me to do this from our Midlands base" Emmet highlighted.

Mark Wilson, Managing Partner said "I'm hugely excited about Emmet joining the Headpoint team as having worked closely with him at Alantra and Catalyst for many years, I know first-hand the outstanding qualities he brings to lead advisory. Our clients will also benefit from his deep knowledge of technology and strong professional relationships across the UK and internationally".
